Any member wishing to vote at the meeting without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Forms for the appointment of a proxy that can be used for this purpose have been provided to members with this notice of meeting. If you do not have a proxy appointment form and believe that you should have one, or if you require additional forms, please contact Capita Registrars on 0871 664 0300 (calls cost 10p per minute plus network extras. Members who hold their shares in uncertificated form may also use 'the CREST voting service' to appoint a proxy electronically, as explained below. Appointing a proxy will not prevent a member from attending and voting in person at the meeting should they so wish.
- (4) Any person to whom this notice is sent who is currently nominated by a member of the Company to enjoy information rights under section 146 of the Companies Act 2006 (a 'nominated person') may have a right under an agreement between them and that member to be appointed, or to have someone else appointed, as a proxy for the meeting. If a nominated person has no such right or does not wish to exercise it, they may have a right under such an agreement to give instructions to the member concerned as to the exercise of voting rights. The statement in note 1 above of the rights of a member in relation to the appointment of proxies does not apply to a nominated person. Such rights can only be exercised by the member concerned.

- (7) It is possible that, pursuant to members' requests made in accordance with section 527 of the Companies Act 2006, the Company will be required to publish on a website a statement in accordance with section 528 of that Act setting out any matter that the members concerned propose to raise at the meeting relating to the audit of the Company's latest audited accounts. The Company cannot require the members concerned to pay its expenses in complying with those sections. The Company must forward any such statement to its auditors by the time it makes the statement available on the website. The business which may be dealt with at the meeting includes any such statement.
- (8) CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in 'the CREST voting service' section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a 'CREST proxy appointment instruction') must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited ('Euroclear'), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Capita Registrars (ID RA10), as the Company's 'issuer's agent', by 11am on Friday 10 May 2013. After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on 'Practical limitations of the system'. In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

Explanatory notes to the resolutions to be proposed at the Annual General Meeting

(1) Resolution 1 – Financial Statements and Reports 2012

For each financial year the Directors are required to present the Directors' report, the audited accounts and the Auditors' reports to shareholders at a general meeting. The financial statements and reports laid before the 2013 AGM are for the financial year ending 31 December 2012.

(2) Resolution 2 – Directors' remuneration report

The Company is required by law to prepare a Directors' remuneration report for each relevant financial year and to seek shareholder approval for that report at the general meeting before which its annual accounts are laid. The result of this resolution is advisory only and the Directors' entitlement to remuneration is not conditional on this resolution being passed. The Directors' remuneration report is on pages 78 to 89 of the Annual Report and Accounts 2012.

(3) Resolution 3 – Declaration of a final dividend

The payment of a final dividend requires the approval of shareholders at a general meeting. The Directors recommend a final dividend in respect of 2012 of 15.6 pence per ordinary share. Subject to approval of this resolution by the shareholders, the final dividend will be paid on 28 May 2013 to ordinary shareholders who are on the register of members by close of business on 19 April 2013 in respect of each ordinary share.

(4) Resolutions 4 to 12 – Election/re-election of Directors

In accordance with the Company's Articles of Association, Directors are obliged to retire by rotation at annual general meetings and may not serve beyond three years without being re-elected by shareholders. Similar to last year and in accordance with the UK Corporate Governance Code, which requires all directors of companies who form part of the FTSE 350 to be subject to annual re-election, the Company intends to propose all of its Directors for re-election at this and future annual general meetings. Resolutions 4 to 11 relate to the re-election of Directors who have served for the entire period since the last AGM and resolution 12 relates to the election of Gillian Sheldon, who was appointed as a Director of the Company on 1 September 2012.

Brief biographical details of the Directors seeking election/re-election can be found on pages 59 to 60 of the Annual Report and Accounts 2012. All were subject to appraisal by the other Board members prior to being put forward for election/re-election by shareholders. The Board has concluded that all of the Directors continue to be effective, showing commitment to their roles, and making the necessary time available for Board and committee meetings and other duties as required.

(5) Resolutions 13 and 14 – Re-appointment and remuneration of Auditors

The Company is required to appoint an auditor to serve for each financial year of the Company. The appointment must be made before the end of the general meeting before which accounts are laid. KPMG Auditors Plc have indicated that they are willing to continue as the Company's Auditors for another year. Resolution 13 is, therefore, to re-appoint KPMG Auditors Plc as Auditors for the financial year ending 31 December 2013. As a separate resolution, resolution 14 authorises the Directors to determine the remuneration of the Auditors.

(6) Resolution 15 – Renewal of Directors' authority to allot shares

The Directors are currently authorised to allot relevant securities (which include ordinary shares and preference shares) of the Company, but their authorisation ends on the date of the Annual General Meeting. This resolution seeks to renew the Directors' authority to allot shares.

This resolution would give the Directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal value equal to £4,470,117 (representing 216,261,127 ordinary shares). This represents 33% of the total ordinary share capital in issue (excluding treasury shares) as at 4 March 2013, (being the latest practicable date prior to the printing of this document). The renewed authority will remain in force until 13 November 2014 or, if earlier, the conclusion of the Company's next annual general meeting. As at 4 March 2013, the Company held 13,234,005 treasury shares, being approximately 2.02% of the total ordinary share capital in issue (exclusive of treasury shares).

The Directors have no present intention of exercising this authority, other than to satisfy allotments under employee share plans. However, by granting this authority, the Directors will have the flexibility to take advantage of any appropriate opportunities that may arise.

(7) Resolution 16 – Disapplication of statutory pre-emption rights

Resolution 16, which will be proposed as a special resolution, seeks to renew the authority conferred on the Directors at last year's annual general meeting to issue equity securities of the Company (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. Other than in connection with a rights or other similar issue or scrip dividend (where difficulties arise in offering shares to certain overseas shareholders and in relation to fractional entitlements) the authority contained in this resolution will be limited to an aggregate nominal value of £677,291 (representing 32,766,837 ordinary shares). This represents approximately 5% of the Company's issued ordinary share capital as at 4 March 2013 (being the latest practicable date prior to the printing of this document). The renewed authority will remain in force until 13 November 2014 or, if earlier, on the conclusion of the Company's next annual general meeting.

The Board confirms its intention to adhere to the provisions in the Pre-Emption Group Statement of Principles regarding cumulative usage of authorities of no more than 7.5% of the issued ordinary share capital within a rolling three-year period. The Directors have no present intention of exercising this authority.

(8) Resolution 17 – Notice of General Meetings

The Companies Act 2006 requires the notice period for general meetings of the Company to be at least 21 days. The Company is currently able to call general meetings (other than an AGM) on 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must approve the calling of meetings on 14 clear days' notice. Resolution 17 seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The Company must also make a means of electronic voting available to all shareholders before it can call a general meeting on 14 clear days' notice.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

(9) Resolution 18 – Authority to make market purchases of ordinary shares

Resolution 18, which will be proposed as a special resolution, is to renew the authority granted to the Directors at last year's annual general meeting, which expires on the date of the forthcoming Annual General Meeting, and to give the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006.

The authority limits the number of ordinary shares that could be purchased to a maximum of 65,533,675 which represents approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares) as at 4 March 2013, (being the latest practicable date prior to the printing of this document). The authority also sets minimum and maximum prices. The renewed authority will remain in force until 13 November 2014 or, if earlier, on the conclusion of the Company's next annual general meeting.

The total number of options to subscribe for ordinary shares for all executive and employee share schemes of the Company which were outstanding as at 4 March 2013 (the latest practicable date prior to printing of this document) was 12,160,668 which represents 1.86% of the issued share capital of the Company (excluding treasury shares) as at 4 March 2013, and would represent 2.06% of the issued share capital of the Company (excluding treasury shares) if the full authority to repurchase ordinary shares as proposed by resolution 18, was exercised. As at 4 March 2013, the Company held 13,234,005 treasury shares, being approximately 2.02% of the total ordinary share capital in issue (exclusive of treasury shares).

Any ordinary shares purchased under this authority would be by means of market purchases through the London Stock Exchange. Shares so purchased would be held as treasury shares or cancelled and the number of ordinary shares in issue reduced accordingly. The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account other investment opportunities. The authority to repurchase ordinary shares will, if approved by shareholders, only be exercised after careful consideration by the Directors, and if such exercise would result in an increase in earnings per share and would be in the best interests of shareholders generally.

Recommendation

The Board considers that the passing of all resolutions is likely to promote the success of the Company and would be in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions, as they intend to do in respect of their own beneficial holdings.
